

# MSFC's OSHA VPP Application

## MSFC OSHA VPP Star Application Process

**VPP Star Program** – A voluntary program designed to emphasize the importance of worksite safety and health programs that meet a prescribed level of excellence.

**VPP Star Award** – An award by OSHA recognizing that a worksite has achieved and maintained a predefined level of excellence in their health and safety program.

**Scope** – MSFC civil service and all onsite contractors that have employees performing at least 1000 hours work in any given quarter of a year.

## OSHA Onsite Visit

- Conduct Interviews w/cs and contractor employees
- Documentation Required
  - OSHA 200 Log
    - Hours worked
    - All recordable and lost workday injuries/illnesses
- Contractor's H&S Program equal to NASA's
- Employees Awareness of Exposure to hazards
- Written S&H Procedures
- Contractors programs for recognizing/correcting S&H problems
- How Contractor Management/Unions feel about VPP application
- How Contractors control subcontractors working on site
- Discipline Programs
